

COMMUNITY RECOVERY ALLIANCE

Winter 2022 Newsletter

RECOVERY COMMUNITY COLLABORATION MEETING

Our first every Recovery Community Collaboration meeting was a huge success, thanks to the 15 organizations in attendance. The purpose of the meeting was to form a cohesive network of treatment facilities and recovery support organizations within our community, which all share a similar mission of providing hope and help for those struggling.

The next meeting will be on February 22, 2022, from 12pm to 1:30pm at the Carnegie Building, downtown Petoskey, MI. These meetings will then continue to repeat the third Tuesday of every month from here on out.

2022 UFAM RALLY

We are excited to announce our involvement in the 2022 United to Face Addiction Michigan (UFAM) *Strength in Unity* Rally at the Michigan State Capital in Lansing on May 19, 2022!

United to Face Addiction Michigan is a non-profit organization that aims to change how addiction is perceived and treated in our state by eliminating the stigma attached to addiction, improving access to treatment, supporting prevention, and promoting recovery through advocacy, education, and outreach.

This rally will be an impactful, informative event that will include legislators, national and local speakers, entertainers, and multiple organizations providing resources from throughout the state, including CRA.

The rally didn't happen in 2020 and 2021 due to the COVID-19 pandemic, so this will be the first year that CRA gets a chance to participate. Be sure to watch our social media for posts about how you can get involved with the rally as the event gets closer.

CRA'S MISSION

Community Recovery Alliance (CRA) is a 501(c)(3) Northern Michigan Recovery Community Organization (RCO) designed to serve individuals and families impacted by substance use disorders (SUDs), mental health issues and post-incarceration transition.

CRA is a proud member of the Association of Recovery Community Organizations (ARCO).

THANK YOU TO OUR DONORS!

The money donated to CRA enables us to provide services to those within our community who are on their recovery journey.

On behalf of our clients and our community, we thank you for your generosity.

GRANT FUNDING

CRA is grateful to have been chosen by three different organizations to receive grant funding.

The first grant was from Petoskey-Harbor Springs Area Community Foundation for Project HOW (Healing Our Workforce). During a 2021

focus group, numerous employers within Emmet County expressed the need for education about addiction and ways to effectively assist employees struggling with substance use disorders (SUDs).

These findings inspired CRA to create Project HOW, which will equip employers with the education and resources needed to assist employees affected by substance use disorders.

CRA was also awarded grants from Bay Harbor Community Foundation and the NMRE Liquor Tax. CRA reiterates our gratitude to all organizations supporting our mission to create a recovery friendly community in Northern Michigan.
